Police Headquarters, Internal Affairs committee

*We are at a dire junction ...
Mister François Vidocq, you have been summoned here before
this special committee as the head of the Sûreté,
The situation being as it is we have several questions pending.*

Mister Vidocq, special credits were allocated to you.
You asked for particularly expensive hardware.
Why ? For what results I should ask ?
You and your cutthroats of a crew are clearly
incapable of stopping Grimace !

You are just an ex convict
heading a crew of incompetents,
That's what it is !

I'm tired of you,
Vidocq !

People like you
never change !

RETURN TO MENU

I need swift results.

The state of insecurity in Paris is intolerable.

Your days as head of this brigade are coming to an end, Vidocq!

Luckily for you, the press is backing you,
and the Parisians love you !
But this will not last for long.

We have a lead in the works.
Grimace is not operating alone.
Someone is pulling the strings.

RETURN TO MENU

Has no one ever told you not to point !
This Grimace character is mine.
I'll get him even if it kills me !

the "coup de grace".

Send the word !
At last Paris will be at my mercy.
At last they'll all see what the great Meurdrac
is capable of.

RETURN TO MENU

No one around.
Leave in small groups and get to it.

PETIT PARISIEN

Paris plunged into chaos

Paris has suffered a horrendous night. The Parisians are petrified in fear by the scenes of horror taking place. Hundreds of corpses are littered across the streets. Some of them are decapitated.

Insecurity is now a common feeling.

To everyone's surprise, meurdrac has ordered the release of 3000 convicts held in Paris' underground penal colony. Since then, these men have been breaking, razing, raping, burning without pause. anarchy now rules the city.

The arms of the law are unable to restrain those acts of brutality.

Once caught, the convicts are immediately put to death.

*Confidence is reeking within the underworld.
The huge quantity of confiscated counterfeit money will diminish their aura.
Every night we struggle. The days are more quiet, allowing us to count the corpses.*

*We battle on all fronts, aerial and on the ground.
This time it's over , I'm going to get him !!
He's managed to spread chaos everywhere, even in the political arena.
I'm going to do you in Meurdrac.*

PETIT PARISIEN

Who is Meurdrac ?

When creating the underground penal colony for hardened criminals, Napoleon's goal was to innovate. Meurdrac being posted with his complete trust.

But we know little about this man.

Originally from the sticks, he's a self made man with a har grip.

Could Napoleon have been wrong ? Meurdrac has freed 3000 convicts in one night.

They move around in small groups and are extremely dangerous
if their recent death count is any indication.

This man has shown his lust for power and fame.

He is rumored to have withdrawn into Paris'entrails, from where he's leading the dance.

RETURN TO MENU

Paris is caught in a blaze.
Vidocq looks like a fool. Well done.
He's not going to last much longer.
Carry on !!!

Emperor Napoleon Bonaparte,

Pray excuse the ill timing of this letter, knowing the hard times you must have faced recently. The events taking place have forced my hand. Meurdrac, a man you are aware of, since you appointed him head of Paris' colony, has just freed 3000 convicts, on his way to take control of Paris. The convicts' trail is filled by terror and death, Paris is sinking into chaos, blood and tears are flowing. The army of Louis the eighteenth is crumbling under this savage army of convicts in league with all the underworld's scam under Meurdrac's influence.

I beseech you, Emperor, it is imperative that you return to save Paris, Parisians and I call out for you.

François Vidocq, Head of the Sureté.
